OUR STORY

Mahaveer Glass House is a wholesaler of architectural and interior glass and plywood located in Bangalore. Established in 1987, our company has been providing high-quality glass and plywood products to the customers for over 35 years. Our journey began with a passion for creating beautiful, functional glasswork, and over the years, we have expanded our offerings to include a diverse array of glass products for both residential and commercial projects. We offer a wide range of products, including clear glass, tinted glass, reflective glass, toughened glass, laminated glass, and safety glass. We also offer a variety of plywood products, including decorative plywood, marine plywood, and blockboard. Mahaveer Glass House is known for its customer-centric approach, ethical business practice and its commitment to providing high-quality products and services.

MAHAVEER GLASS HOUSE

MILESTONE

1987 : Inception of Mahaveer Glass House

Founded with a passion for quality and innovation, **Mahaveer Glass House** began its journey in the heart of Bangalore, setting the stage for a legacy of excellence in the glass industry.

1990 : Expansion into Plywood

In 1990, we broadened our horizons by expanding our product line to include premium plywood. This pivotal step allowed us to offer a more comprehensive range of interior solutions to our growing clientele. Alongside this expansion, we established two warehouses to cater to the increasing demand for our products.

2014 : Launch of Arihant Safe GLass Pvt.ltd.

In a significant move towards self-sufficiency and quality control, we inaugurated our state-of-the-art manufacturing factory for toughened glass at Kanakpura Road in 2014. This step not only enabled us to ensure the highest standards of safety and durability but also marked a milestone in our journey towards innovation and self-reliance.

2019 : Introduction of Mahaveer Glass and Plylam

In 2019, we launched Mahaveer Glass and Plylam, our wholesale division specializing in premium plywood. This venture aimed to cater to the evolving needs of our customers, offering a wide range of plywood solutions for various applications, from residential to commercial projects.

2020 : Navigating Challenges and Expansion

Despite the challenges posed by the COVID-19 pandemic in 2020, Mahaveer Glass House persisted in its commitment to growth and service. We established a 23,000 square feet warehouse in Kumbalgodu, further strengthening our logistical capabilities to ensure timely deliveries and uninterrupted service to our valued customers.

2023 Opening of "Elevate Living" Showroom

In 2023, we proudly unveiled "Elevate Living," an all-encompassing interior products experience showroom. Located in Mysore Road, this showroom showcases our extensive range of products, from glass solutions, plywood, laminates, veneer, wooden flooring, LED mirrors to hardware, offering customers a firsthand experience of our commitment to quality, innovation, and design.

Future Milestone

Looking ahead, Mahaveer Glass House is excited to announce our ambitious plan for the future. In the coming two years, we will be constructing a cutting-edge 4-floor showroom at the heart of Mysore Road. Spanning an impressive 25,000 square feet, this showroom will be a beacon of innovation, offering a comprehensive display of our products and solutions. This milestone represents our dedication to enhancing customer experience and providing a one-stop destination for all interior needs.

Today and Beyond

As we reflect on our journey, we are grateful for the trust and support of our customers who have been an integral part of our success story. We strongly believe in the power of collaboration as a key to success. We value the partnerships we have forged with our customers and suppliers, recognizing that together, we can achieve more. Mahaveer Glass House remains committed to pushing boundaries, exploring new frontiers in interior solutions, and continuing to elevate living spaces with quality, innovation, and excellence.
