MAHAVEER GLASS HOUSE

About us

Mahaveer Glass House is a wholesale trader of interior glass and wooden plywood located in Bangalore. Established in 1987, the company has been providing high-quality glass and plywood products to its customers for over 35 years. They offer a wide range of products, including clear glass, tinted glass, reflective glass, toughened glass, laminated glass, and safety glass. They also offer a variety of plywood products, including decorative plywood, marine plywood, and blockboard. Mahaveer Glass House is known for its customer-centric approach and its commitment to providing high-quality products and services.

New collection

In addition to the plywood and glass products we have been selling for many years, we are excited to introduce a new line of products, including epoxy tables, stone veneers, laminates, home automation, lacquered glass, profiles, hardware, and shower cubicles
